

- ❖ **24-Hour Operator Assistance** – Experienced operators provide assistance 24 hours a day, seven days a week. By simply pressing the zero key, receive assistance when using a rotary phone, dialing instructions and other call processing assistance.
- ❖ **Speed Dialing** – Save time dialing with two-digit dialing codes. Speed Dialing is accessed by pressing the one key followed by the pound (#) key. A speed dial index may be entered to dial a pre-defined telephone number. Up to nine telephone numbers may be stored.
- ❖ **Faster Calling** – Make multiple calls without hanging up by pressing the pound (#) key for two to three seconds. A chime will be heard, followed by a voice prompt allowing another call or menu items. Up to 10 re-originations are allowed.
- ❖ **Directory Assistance** – Access directory assistance by pressing the one key followed by the pound (#) key. The operator will prompt you to provide the name and area code or city of the party you wish to call. Once the phone number is located and communicated, the operator will also offer to complete the call.
- ❖ **800 Access** – Dial one simple toll-free number to get access to all your Travel Card features.
- ❖ **Call Home** – Restrict card to call a specific number only. (Must specify on card application.)
