Pay Your Phone Bill
For You...**

What is Direct Payment?

Direct payment is an efficient electronic payment alternative to paper checks. When you use direct payment, you authorize Webster-Calhoun Cooperative Telephone Association to electronically collect the amount of your telephone bill from your checking or savings account.

Instead of writing a check every month, Webster-Calhoun will automatically make the payment for you from your designated bank account on the 17th of every month. **It's that simple.**

- You will continue to receive a phone bill each month from Webster-Calhoun that will itemize the services and calls made.
- This amount will automatically be taken from your account on the 17th.
- "Automatic Payment will be withdrawn on (date)" will read below the amount on the payment stub.
- If the 17th falls on a weekend or holiday, it will be taken out of your account the following working day.

The payment is easily identified on your bank statement and the phone bill will be consistently and conveniently paid every month. You'll save money on postage and check fees, improve your budgeting, eliminate the chance of a late payment and save time balancing your bank statement.
