## Property Tax Payments

It's that time of year again and property taxes are due. The amount of property tax that Webster-Calhoun pays each year is based on the valuation of physical plant and revenues set by Iowa. The assessment is allocated back to counties based on telephone cable miles in each county.

Approximate totals of property taxes for 2007 include:

Webster	\$45,201
Calhoun	\$10,268
Greene	\$16,532
Boone	\$7,438
Humboldt	\$5,996
Hamilton	\$1,639
Pocahontas	\$122
Wright	\$246

## **Your Privacy Is Important To Us**

At Webster-Calhoun, your privacy is important to us. We have not and will not disclose personally identifiable information about our customers or the services they use unless we are required to do so under a court-ordered subpoena or if authorized by the customer.

The FCC is mandating more rules and changes to help protect your Customer Proprietary Network Information (CPNI).

CPNI is the data collected by telecommunications carriers about a customer's telephone calls and the services they subscribe to. It includes the time, date, duration and destination number of each call, the type of network a customer subscribes to, and any other information that appears on your telephone bill.

More information will be coming soon about how Webster-Calhoun will handle these changes.

## **Whose Name Is On Your Telephone Account??**

As FCC rules for CPNI are enforced it may be more important than ever to make sure your name is on your telephone account.

The account holder is the person authorized to make changes and is responsible for paying for those charges.

## **How Is Your Name Listed In The Telephone Directory?**

Listings in the directory can be different than the account holder. For example, a widow may choose to have her husband's name listed in the directory but it should not be on the account. Please contact the WCCTA office at 352-3151 for more information or to make a change.
