## Digital TV Update

Webster-Calhoun is looking forward to providing Digital Television through Fiber to the Home phone lines.

A lot of equipment will be installed and tested at Webster-Calhoun within the next few months so we are not able to give a specific date as to when or where service will be available first.

**Updated: It turns out some major equipment for this project is taking longer to ship than we originally anticipated. This puts a delay on this project for several more weeks!**

We are receiving a lot of calls from those of you interested in the service and we appreciate your patience. We'll continue to keep you updated!

## Construction Update

Fiber to the Home construction is continuing in many communities throughout Webster-Calhoun's serving area!

If you have a **Churdan** phone number and have not been cut over to Fiber to the Home, please contact our office at 352-3151 to schedule a time.

Central Cable Contractors are busy in rural **Badger**. They will then be moving to the **Clare** area.

Vantage Point is a South Dakota based company that is beginning to work in the **Vincent, Thor, and Duncombe** areas. You may notice vehicles parked around town as they are planning for Fiber to the Home in these communities.

## Whose Name Is On Your Account??

It is more important than ever to make sure your name is on your telephone account. The account holder is the person authorized to make changes and is responsible for paying those charges. The account holder is also the member of the cooperative and receives the correspondence and checks for capital credits.

**Have a Safe and Relaxing Labor Day Weekend!!**

The WCCTA office will be closed on Monday, September 7th.

The Board of Directors voted to retire the remaining 50% of the **capital credit dividends** allocated for the year 2001.

Mid November, checks totaling over 1.7 million will be refunded to our past and present members. (Please note that your check will not be mailed if you have a past due account with us.)

## It's *Back to School* and your family may be spending more time on your computer.

Do you think your computer is protected from viruses, spyware, and adware? Is the firewall functioning properly? What about hard drive maintenance and updates from Microsoft? Worried about what your children do on-line? Does any of this make sense to you? Wouldn't it be nice to have the number of a person you could call and discuss this at no extra cost? Webster-Calhoun has it!

### SecureIT Plus Computer Protection is **\$6.95 per month!**

Sign up now and get the first month free!  
Plus, each additional license key for multiple computers can be added for only \$4.95. Contact our office at 515-352-3151 today.

What files are on your computer? Photos of kids, family or fond memories, songs and music that have been collected over the years, work documents and important e-mail messages, financial data for family budgets, taxes and home office use. The list is endless. All these files are stored on your hard drive. Imagine if they all disappeared tomorrow!! **Ask about Online Backup!**

**Don't forget to call Grandpa and Grandma on Grandparents Day! Sunday, September 13th!**
