

Channel Recording Series Rules Affected by Recent Equipment Upgrade

If you had tv shows set to record on these channels listed below, you will need to go into your recordings series rules, delete, then re-add for the shows to record again. This only needs to be done once per tv show.

To delete: on your remote press Menu, arrow down to recordings, right arrow over to second column, arrow down to series, select cDVR, hover over the tv show and press the red button, say yes to delete, then press ok. Press exit to get out of the menu.

To re-add: on your remote press Menu, arrow down to recordings, right arrow over to second column, arrow down to series, select cDVR, press the yellow button to search for your tv show, using the keyboard to the left type in the name of your show that you just deleted series rules for, arrow over to the right and select the tv show by pressing ok, this will show current and future showing of the tv show, just hover over one of them and press the red button to record. Make sure you arrow over to "series" then you can set up the series rules to record as you wish (how many episodes to keep, new episodes only, etc.) Once you have your options the way you want them, press create series recording. Then press exit.
