## Welcome!

We continue to grow and are happy to welcome two new employees to Webster-Calhoun recently.

Jacci Hindt is learning all the products and services offered by WCCTA along with the benefits of fiber as she settles into her role with marketing and sales. She lives in Gowrie with her fiancé, Joel, and children Addi, Jax and Bryant.

Derik Douglas comes to the plant department with industry experience and is settling in with the various roles of our technicians. He lives in rural Lohrville with his wife, Elizabeth. Their children include Alex, Logan, Ian, Liam, Bella, Baylie and Daxton.

We are grateful to have an entire staff of great people that care about ensuring quality and reliable service for our customers.

## 10-Digit Dialing Change

Remember all local phone calls must now be dialed using all ten digits of the phone number! This change will lead to enabling a three-digit code of 988 for the National Suicide Prevention Hotline in July of 2022.
