## Annual Meeting of Members

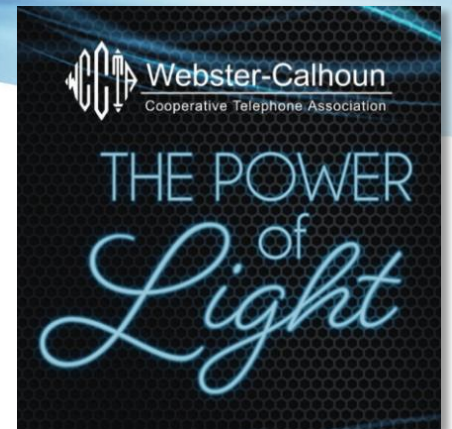

Make plans to attend the Annual Meeting of Members for Webster-Calhoun Cooperative Telephone Association which will be held at the Southeast Valley High School Gymnasium in Gowrie on Tuesday, March 10<sup>th</sup> at 7:00 pm.

Webster-Calhoun has invested in a fiber driven network where data has the potential to travel at the speed of light. Learn why the power of light is essential to the future of broadband. It's sure to be an "enlightening" experience.

Mail ballots must be returned to Webster-Calhoun by Noon on March 10<sup>th</sup>. Results of the mail ballot election of the Board of Directors will be announced as well as the year in review. Special door prizes will be drawn (including 4 TV's over 43") and refreshments served. Must be a member of the cooperative and be present to win one of the door prizes.

## Pick-It March Mania

College basketball fans, watch for the next free online contest! Visit our website at [www.wccta.net](http://www.wccta.net) for the link to complete your bracket for the NCAA tournament and have fun watching how your picks compare to others' in our community. Easy to enter and fun to play – use your knowledge or use your luck!! Act fast! Selection Sunday is March 15<sup>th</sup> and brackets must be completed before games begin on March 19<sup>th</sup>!

# ICA Day on the Hill

As part of the Iowa Communications Alliance Day on the Hill, Daryl Carlson and Marcie Boerner from WCCTA are pictured with Senator Tim Kraayenbrink. They had an opportunity to discuss several topics important to the communications industry. They even had a chance to say hello to Governor Reynolds.

It is always an important day for companies like WCCTA to connect with legislators on important ways in which they can expand high-speed broadband across the state of Iowa. Currently Marcie serves on the ICA Board of Directors and Daryl as part of the ICA legislative committee.

## Internet Speeds Increased – AGAIN!

Webster-Calhoun Internet speeds were recently increased for even faster service!! Did you know high speed Internet access has always been priced at \$39.95? Way back when DSL was introduced over 15 years ago with blazing fast speeds of 768K! Consumer demands continue to increase and Webster-Calhoun continues to improve and upgrade services for you.

Our most popular speed packages are now:

100 Mbps downspeed/5 Mbps upspeed \$39.95/month (phone service required)

200 Mbps downspeed/10 Mbps upspeed \$79.95/month

Boost your upspeeds for an additional \$10.00/10Mb or \$20.00/20Mb

WCCTA makes sure these speeds are delivered to your location; however, keep in mind how that speed translates through your router into your home or business. "Throughput" is an important part of a good, robust router.

Don't want to deal with geek speak? That's ok! Contact our office at 515-352-3151 or email [webcalstaff@wccta.com](mailto:webcalstaff@wccta.com) and ask about Managed Wifi. WCCTA can take the worry out of your home wireless network.

## Newsletter Contest

Congratulations to Dennis & Judy McKenney of Somers! They both found their phone number hidden in the newsletter last month! There are three hidden in this newsletter. Can you find them? Find YOUR phone number in this newsletter and contact our office to win a \$10.00 credit on your billing statement!
