

What is Direct Payment?

Direct payment is an efficient electronic payment alternative to checks. When you use direct payments, you authorize Webster-Calhoun Cooperative Telephone Association to electronically collect the amount of your monthly bill from your checking or savings account.

Instead of writing a check every month, Webster-Calhoun will automatically make the payment for you from the designated bank account via ACH.

- Fill out the form included with this brochure, authorizing WCCTA to withdraw the amount from your bank account directly.
- If making recurring payments, the amount due will be automatically taken from your bank account each month, choose either the 5th, 17th, or 20th.
*If the withdrawal date falls on a weekend or holiday, it will be taken out of your account the following business day.
- With recurring payments, your monthly invoice will say: “DO NOT PAY THIS BILL – AMOUNT WILL BE DEDUCTED FROM YOUR BANK ACCOUNT ON 5th, 17th or 20th of the month.”
- With single-entry payments, you have the option to pay your bill online on the date(s) that are most convenient for you! THIS IS NOT AUTO PAY.
