TV Rate Increases

As was announced in the February newsletter, the annual WCDTV cost increase will range from \$6-\$10, to cover the rising cost of programming.

Effective March 1st, 2025, TV rates will be:

Retransmission + TV Package = Total TV Cost

Lite: \$37.84 + \$15.11 = **\$52.95** *increase of \$6 from previous rate

Ultimate: \$37.84 + \$106.11 = **\$143.95** *increase of \$10 from previous rate

Retransmission fees and the TV package price are separate line items on your monthly invoice.

Community Donations

Recently Webster-Calhoun donated to some of our local communities and their projects.

Webster-Calhoun is excited for the Lake City community to be able to enjoy their new Pickleball Courts this Spring! With a recent donation this year, we are now a "Recreational" level sponsor. The City of Churdan is also working to renovate their city park's shelter house. We were happy to contribute to this project, so families and groups can better use the space.
