Women in Telecom Fly-In

In July, nearly 40 women leaders from NTCA member companies traveled to Washington, D.C., to participate in the Women in Telecom Fly-In.

Marcie Boerner, CEO & General Manager of Webster-Calhoun was in attendance. The trip was a chance to advocate on behalf of rural broadband providers, to meet with leaders in Congress, from USDA, and the FCC, and to share ideas with peers from across the country.

Online Directory

Even though we may not print a physical phone book anymore, you still have a way of searching business and listed residential phone numbers online.

Our online directory can be found on our website under the Billing Portal.

Committed to our Local Communities

Check out some pictures from recent parades, area events and community involvement!

Pictured Above: Taylor and Chad pose for a check donation to Gowrie Firemen Golf Tournament, Webster-Calhoun partnered with Lehigh Valley to sponsor inflatables at the Back-2-School Bash, and Mindy and her son, Tripp, drove through the Old Settler's Day parade in Farnhamville.

Back to School Internet Speeds

The kids are back in school again! Which means having fast and reliable home internet and Wi-Fi is extremely important.

Webster-Calhoun offers several internet packages at different price points to fit your budget and provide you with the best speed for your family. We also offer the option to rent a router from us versus purchasing your own. When you rent a router from WCCTA, we can assist with troubleshooting, connecting devices and more for only a small monthly fee of \$9.95/month.
