1. SELECT YOUR PACKAGE:

Select the package (Lite - Standard - Ultimate) that best fits your viewing preferences. Add Premium Movie Channels to enhance your experience.

**The pricing will be separated on your billing statement to reflect your TV package and retransmission fees. Rates & channel lineups are subject to change. Applicable fees and taxes apply.*

2. WAYS TO WATCH:

Choose how you want to watch TV! Mix and match set-top boxes and streaming devices based on the number of rooms and TVs in your home.

Hard-Wired vs Wireless Set-Top Boxes:

Traditional hard-wired STBs require additional Cat5/Cat6 wiring throughout your home/business, while our wireless STBs pair with our Internet and Managed Wi-Fi to eliminate extra wiring. For a more detailed explanation, please review our application or visit our website.

Installation of Hard-Wired STBs: Each set-top box is \$5/month to rent. A \$99.00 installation fee applies for 2 hard-wired TVs, additional TVs can be wired at \$40.00/per TV (if at time of installation).

Installation of Wireless STBs: Internet and Managed Wi-Fi are required. Each set-top box is \$5/month to rent. A \$50.00 installation fee applies for 1-3 wireless set-top boxes, additional boxes (4+) would increase the installation to \$99.00 (if at time of installation).

**Time and materials apply to changes after installation. Relocating service to a new location will generate new installation charges. May not be able to install hard-wired set-top boxes in all locations. We reserve the right to charge extra for fishing walls. Set-Top Boxes, switches, Managed Wi-Fi routers and Indoor ONTs are property of Webster-Calhoun. Set-Top Boxes need to be returned to Webster-Calhoun upon disconnection.*
